How Bank Drafts work....

- First you will receive you water bill as usual each month.
- You will have approximately 5 days to contact Creek County RWD#2 if you have questions about the bill.
- Then, just deduct the amount of your water bill from your checking or savings account records.
- The rest is handled by your bank, credit union or savings and loan. Your water bill will automatically be paid **on the 16th** of each month as shown on your bill. If 16th falls on weekend, draft will be withheld on the following **Monday**.
- Any draft that fails to clear your account and is returned to our bank will be charged a NSF fee of \$25.00.
