Bank Drafts and Board Policies are available at our office and our website.

The Board of Directors' Meetings are the 2nd Tuesday of each month, 5:30 p.m., in the District office.

Welcome new customer. We are glad to have you as a member of the District. We have included a few policies and answered some frequently asked questions.

It is a violation of District By-Laws to have a double hookup; only one home or business may be served through the meter. There are no exceptions to this policy. A separate business, garage apartment, visitors' cottage, travel trailer being used for occupancy, all require the purchase of an additional Benefit Unit. If you have questions on this policy, please contact the District Manager and discuss the matter with him/her.

Payments are due on the 1st of the month and delinquent after the 16th of the month. Bills are mailed to the customers about ten days before the 1st of each month. If you do not receive one by the end of the month, please call the office. After the 16th of each month, a 10% penalty is added to the account. If the 16th occurs on a weekend, payment must be in our drop box by 8:00 a.m. the following Monday to avoid a penalty charge.

Bank drafts that automatically deduct your water payment on the 16th of each month are an option for our customers. Please call the office if you are interested in this payment method; there is no charge for this service.

Service disconnections on past due bills will occur any time after the first day of the following month after the bill was due. A \$125.00 charge will be added to the account if the service is disconnected. Full payment of the past due amount and the \$125.00 disconnect charge must be made before the service will be reconnected. Service reconnections will only be made between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday.

Rental property is the responsibility of the owner, and water bills are only sent to the owner. It is the responsibility of the owner to notify the renter of the amount owed, or to collect the amount and make the payment. If the renter signs up for automatic draft payment with us, both they and the owner will receive a bill. That is the only exception to this policy.

Be sure to Call Okie at 1-800-522-6543 (www.CallOkie.com) anytime you will be doing outside digging. This free service will locate all utility lines. Private lines are not part of this service.

PLEASE REMEMBER to call the office anytime that you experience pressure fluctuations or see standing water. We check out every potential problem. **PLEASE** call the office if you get a new phone number or a cell phone. It is important that we keep contact numbers current in case of an emergency.

Once again, welcome to the District. We strive to provide the best service possible to all our customers.
